2.1 Following category of employees have been designated as "Designated Employees" for the purpose of this Code of Conduct:

4. Definitions

- a) Act means Securities and Exchange Board of India Act, 1992 as amended from time to time.
- b) "connected person" means –
 - (i) any person who is or has during the six months prior to the concerned act been associated with a company, directly or indirectly, in any capacity including by reason of frequent communication with its officers or by being in any contractual, fiduciary or employment relationship or by being a director, officer or an employee of the company or holds any position including a professional or business relationship between himself and the

company whether temporary or permanent, that allows such person, directly or indirectly, access to unpublished price sensitive information or is reasonably expected to allow such access.

- (ii) Without prejudice to the generality of the foregoing, the persons falling within the following categories shall be deemed to be connected persons unless the contrary is established,
- (a) an immediate relative of connected persons specified in clause (i); or
 - (b) a holding company or associate company or subsidiary company; or
 - (c) an intermediary as specified in section 12 of the Act or an employee or director thereof; or
 - (d) an investment company, trustee company, asset management company or an employee or director thereof; or
 - (e) an official of a stock exchange or of clearing house or corporation; or
 - (f) a member of board of trustees of a mutual fund or a member of the board of directors of the asset management company of a mutual fund or is an employee thereof; or
 - (g) a member of the board of directors or an employee, of a public financial institution as defined in section 2 (72) of the Companies Act, 2013; or
 - (h) an official or an employee of a self-regulatory organization recognised or authorized by the SEBI; or
 - (i) a banker of the company; or
 - (j) a concern, firm, trust, Hindu undivided family, company or association of persons wherein a director of a company or his immediate relative or banker of the company, has more than ten per cent of the holding or interest;

NOTE: It is intended that a connected person is one who has a connection with the company that is expected to put him in possession of an unpublished price sensitive information. Immediate relatives and other categories of persons specified above are also presumed to be connected persons but such a presumption is a deeming legal fiction and is rebuttable. This definition is also intended to bring into its ambit persons who may not seemingly occupy any position in the company but are in regular touch with the company and its officers and are involved in the know of the company's operations. It is intended to bring within its ambit those who would have access to or could access unpublished price sensitive information by virtue of any connection that would put them in possession of unpublished price sensitive information.

c) "generally available information" means information that is accessible to the public on a non-discriminatory basis and covers information published on the website of a stock exchange.

d) "immediate relative" means a spouse of a person, and includes parent, sibling, and child of such person or of the spouse, any of whom is either dependent financially on such person, or consults such person in taking decisions relating to trading in securities;

NOTE: It is intended that the immediate relatives of a "connected person" too become connected persons though this is a rebuttable presumption.

e) "**designated persons**" means any person who is:

i) a connected person; or

ii) in possession of unpublished price sensitive information;

NOTE: Since "generally available information" has been defined, anyone in possession of or having access to unpublished price sensitive information will be considered an "**designated persons**" regardless of how one came in to the possession of or had access to such information.

f) "SEBI" means Securities and Exchange Board of India

g) "trading" means and includes subscribing, buying, selling, dealing, or agreeing to subscribe, buy, sell, deal in any securities, and "trade" shall be construed accordingly;

h) “unpublished price sensitive information” means any information, relating to a company or its securities, directly or indirectly, that is not generally available which, upon becoming generally available, is likely to materially affect the price of the securities and it ordinarily includes but not restricted to information relating to the following: –

- (i) financial results;
- (ii) dividends;
- (iii) change in capital structure;
- (iv) mergers, de-mergers, acquisitions, de-listings, disposals and expansion of business and such other transactions;
- (v) changes in key managerial personnel; and
- (vi) material events in accordance with the listing agreement.

NOTE: Information relating to the company or securities, that is not generally available would be considered as a unpublished price sensitive information if it is likely to materially affect the price upon coming into the public domain. The types of matters that would ordinarily give rise to unpublished price sensitive information have been listed above to give illustrative guidance of unpublished price sensitive information.

5. **Communication or procurement of unpublished price sensitive information.**

5.1 **No designated persons** shall communicate, provide, or allow access to any unpublished price sensitive information, relating to the Company or its securities listed or proposed to be listed, to any person including other insiders except where such communication is in furtherance of legitimate purposes, performance of duties or discharge of legal obligations. **The term “legitimate purpose” shall include sharing of unpublished price sensitive information in the ordinary course of business by an insider with partners, collaborators, lenders, customers, suppliers, merchant bankers, legal advisors, auditors, insolvency professionals or other advisors or consultants, provided that such sharing has not been carried out to evade or circumvent the prohibitions of this code.**

Any person in receipt of unpublished price sensitive information pursuant to a “legitimate purpose” shall be considered an “insider” for purposes of this code and due notice shall be given to such persons to maintain confidentiality of such unpublished price sensitive information in compliance with this code.

NOTE: This is intended to cast an obligation on all insiders who are essentially persons in possession of unpublished price sensitive information to handle such information with care and to deal with the information with them when transacting their business strictly on a need-to-know basis.

- 5.2 No person shall procure from or cause the communication by any insider of unpublished price sensitive information, relating to the Company or securities listed or proposed to be listed, except in furtherance of legitimate purposes, performance of duties or discharge of legal obligations.
- 5.3 An unpublished price sensitive information may be communicated, provided, allowed access to or procured, in connection with a transaction that would:—
- (i) entail an obligation to make an open offer under the takeover regulations where the board of directors of the Company is of informed opinion that the proposed transaction is in the best interests of the Company;
 - (ii) not attract the obligation to make an open offer under the takeover regulations but where the board of directors of the Company is of informed opinion that the proposed transaction is in the best interests of the company and the information that constitute unpublished price sensitive information is disseminated to be made generally available at least two trading days prior to the proposed transaction being effected in such form as the board of directors may determine.
- 5.4 For purposes of sub-clause (3) above, the board of directors shall require the parties to execute agreements to contract confidentiality and non-disclosure obligations on the part of such parties and such parties shall keep information so received confidential, except for the purpose of sub-regulation (3), and shall not otherwise trade in securities of the Company when in possession of unpublished price sensitive information.

6. Trading when in possession of unpublished price sensitive information

6.1 **No designated persons** shall trade in securities that are listed or proposed to be listed on a stock exchange when in possession of unpublished price sensitive information:

Provided that the insider may prove his innocence by demonstrating the circumstances including the following:

- (i) the transaction is an off-market inter-se transfer between promoters who were in possession of the same unpublished price sensitive information without being in breach of regulation 3 of SEBI Regulations and both parties had made a conscious and informed trade decision;
- (ii) in the case of non-individual insiders: –
 - (a) the individuals who were in possession of such unpublished price sensitive information were different from the individuals taking trading decisions and such decision-making individuals were not in possession of such unpublished price sensitive information when they took the decision to trade; and
 - (b) appropriate and adequate arrangements were in place to ensure that SEBI Regulations are not violated and no unpublished price sensitive information was communicated by the individuals possessing the information to the individuals taking trading decisions and there is no evidence of such arrangements having been breached;
- (iii) the trades were pursuant to a trading plan set up in accordance with regulation 5 of SEBI (Prohibition of Insider Trading) Regulations, 2015.

NOTE: When a person who has traded in securities has been in possession of unpublished price sensitive information, his trades would be presumed to have been motivated by the knowledge and awareness of such information in his possession. The reasons for which he trades or the purposes to which he applies the proceeds of the transactions are not intended to be relevant for determining whether a person has violated the regulation. He traded when in possession of unpublished price sensitive information is what would need to be demonstrated at the outset to bring a charge. Once this is established, it would be open to the insider to prove his innocence by demonstrating the circumstances mentioned in the proviso, failing which he would have violated the prohibition.

- 6.2 In the case of connected persons, the onus of establishing, that they were not in possession of unpublished price sensitive information, shall be on such connected persons.

7. Trading Plans

- 7.1 **A designated person** shall be entitled to formulate a trading plan and present it to the compliance officer for approval and public disclosure pursuant to which trades may be carried out on his behalf in accordance with such plan

- 7.2 Such trading plan shall:

- (i) not entail commencement of trading on behalf of the insider earlier than six months from the public disclosure of the plan;

- (iii) entail trading for a period of not less than twelve months;
- (iv) not entail overlap of any period for which another trading plan is already in existence; and
- (v) set out either the value of trades to be effected or the number of securities to be traded along with the nature of the trade and the intervals at, or dates on which such trades shall be effected
- (vi) not entail trading in securities for market abuse.

- 7.3 The compliance officer shall review the trading plan to assess whether the plan would have any potential for violation of SEBI Regulations and shall be entitled to seek such express undertakings as may be necessary to enable such assessment and to approve and monitor the implementation of the plan.

- 7.4 The trading plan once approved shall be irrevocable and the insider shall mandatorily have to implement the plan, without being entitled to either deviate from it or to execute any trade in the securities outside the scope of the trading plan. Provided that the implementation of the trading plan shall not be commenced if any unpublished price sensitive information in possession of the insider at the time of formulation of the plan has not become generally available at the time of the commencement of implementation and in such event the Compliance Officer shall confirm that the commencement ought to be deferred until such unpublished price sensitive information becomes generally available information so as to avoid a violation of sub-regulation (1) of regulation 4 of SEBI Regulations.
