

AWARDS AND RECOGNITIONS

We have received several prestigious awards and accolades this year, honouring our ongoing efforts to implement innovative environment, health and safety practices and uphold the highest governance standards across our operations.

Gudipadu unit was felicitated by Bureau of Indian standards (BIS), Andhra Pradesh for the products: OPC, PPC and PSC for Zero failures during the consecutive last three years. This was given on World Standards Day-2024.

At the 39th Mines Safety Week Observance 2024, organised by the Mines Safety and Productivity Association, Hyderabad Region, under DGMS, the DCW Limestone Mine, Andhra Cements Limited, Dachepalli Plant, earned the 1st Prize for Overall Performance in Group C. Additionally, several other accolades were secured at the Mines level in Group C.

The Bayyavaram Unit was honoured with the 'Silver' award in the Industrial Safety Leadership Award (Category-2) in March 2025 for its outstanding safety initiatives during the year 2024. This recognition from CII Andhra Pradesh highlights our proactive approach to risk management, employee safety training and implementing best safety practices in industrial operations.

The Gudipadu unit also received an Appreciation Award from the District Fire Officer, Anantapur, for its contribution in extinguishing the fire at Tadipatri Lalita Mega Mall on September 9, 2024 with our fire tender vehicle and fire staff.

The Bayyavaram Plant has received National Award for Excellence in Energy Management 2024 and Most Innovative project award by CII and was awarded with "National Energy Conservation Award, Cement Sector-2024 by Government of India, Ministry of Power.

The Gudipadu Unit received a Certificate of Appreciation in the National Safety Awards 2024. It underscores our commitment to maintaining a safe and hazard-free work environment, ensuring compliance with national safety standards and continuously improving our safety culture.

The Gudipadu Plant received 1st prize on 16th November 2024 in various categories, including Drilling and Blasting, Safe Mine Workings, Crusher and Conveyor Belts, Safety Management System, and Overall Performance in Zone-3 (B2 Group) during the Mines Safety Week 2024, organised by the Mines Safety and Productivity Association, Hyderabad Region.
