Item No.3:

In terms of Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), as amended, any transactions with a related party shall be considered material, if the transaction(s) entered into/to be entered into individually or taken together with the previous transactions during a financial year exceeds 10% of annual consolidated turnover of the Company as per the last audited financial statements of the Company and shall require prior approval of shareholders by means of an ordinary resolution. The said limits are applicable, even if the transactions are in the ordinary course of business of the concerned company and at an arm's length basis. Further, Regulation 2(1)(zb) of the Listing Regulations has provided the definition of related party and Regulation 2(1)(zc) of the Listing Regulations has enhanced the definition of related party transaction which now includes a transaction involving a transfer of resources, services or obligations between (i) a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, as well as (ii) a listed entity or any of its subsidiaries on one hand and any other person or entity on the other hand, the purpose and effect of which is to benefit any related party of the listed entity or any of its subsidiaries, regardless of whether a price is charged or not. It is in the above context that, Item No. 3 is placed for the approval of the Shareholders of the Company.

Andhra Cements Limited being one of the subsidiary companies of Sagar Cements Limited and “related party”. The Company proposes to enter into further transactions with Andhra Cements Limited (“ACL”), a subsidiary Company, for Sale and Purchase of Goods and Services, providing inter corporate loans, in addition to the already provided corporate guarantee and security, which was approved by the Members of the Company in the Annual General Meeting held on 30th June, 2025. The Management has provided the Audit Committee with the relevant details of proposed RPTs including rationale, material terms and basis of pricing. The Audit Committee, after discussion and deliberation has granted approval for modifying the terms of approved RPTs by entering into the further transactions with ACL for an aggregate value of up to Rs.630 Crores, which includes:

1. Rs.315 crores towards providing corporate guarantee and pledging of 2,18,90,883 shares of ACL held by SCL, for which the consent of the members of the company under Regulation 23(4) of the Listing Regulations was taken by the members of the company at their annual general meeting held on 30th June, 2025.
2. As part of expansion/modernization of the cement manufacturing facility of ACL at Durga cement works, Dachepalli, SCL wants to provide loan of Rs.125 crores to ACL, and pursuant to the provision of Section 185 of the Companies Act 2013, the consent of the Members of the Company is required to provide loan to ACL.
3. Sale and Purchase of Goods and Services for an aggregate amount not exceeding Rs.190 Crore.

The above transactions of granting loan and giving guarantee or security are well within the overall threshold limit of Rs.3,000 crores, earlier approved by the shareholders under Section 186 of the Companies Act, 2013, yet as the current proposal to provide loan to ACL triggers applicability of Section 185 of the Companies Act, 2013 as per the Explanation given for ‘any person in whom any of the director of the company is interested’ under the said section, and ACL is a related party and being material in nature, these further transactions are deemed to be material modification to the related party transactions and require specific approval from the shareholders under Regulation 23 (4) and other applicable Listing Regulations. The management of SCL had provided the Audit Committee with all the requisite details of said proposed transactions with ACL.

The Audit Committee has noted that the said transactions will be at an arms’ length basis and in the ordinary course of business. As the current proposals is material modification to the approved related party transactions in nature, these transactions are requiring specific approval from the shareholders under Regulation 23(4) and other applicable Listing Regulations. The Audit Committee has reviewed the certificates furnished by the Joint Managing Director and the Chief Financial Officer as required under the RPT Industry Standards.
